

# STOCKYARD™

CLASS 4-6  
DUMP BODY

VERSATILE  
OPTIONS

AS STRONG  
AS AN OX™

NOW  
AVAILABLE  
WITH FOLD-  
DOWN SIDE  
OPTION!

Built with the strength of an Ox and designed for hard work, the Stockyard is your partner for Class 4-6 applications. This body is ideal for landscapers, contractors and more. Our NEW! Fold-Down Sides option makes loading pallets and equipment easy. Choose from one of our three packages below to find the right configuration for you!

The Stockyard's unique corrugated sides provide additional strength for longevity.

Choice of Underbody or Telescopic Hoist to fit your preferred dump application.

\*Folding Sides not available with Telescopic Hoist.

Optional Fold-Down Sides make the Stockyard extra versatile and are great for loading pallets with forklifts.
