

OX BODIES®

"As Strong As An Ox"

CHISHOLM

Named out of respect for the grueling conditions faced in cattle drives on The Chisholm Trail, the Chisholm dump body was engineered for the most rugged jobs out there. No conditions, climates, or applications are too extreme for this workhorse. Ideal for demolition, riprap, asphalt, salt, sand-to-large aggregates, spreading materials, and more. Rugged, dependable, Ox. Ox Bodies is the premier dump body manufacturer in North America, delivering top-quality products and service to our customers for over 50 years.

Air-actuated tailgate latch

Optional dump apron

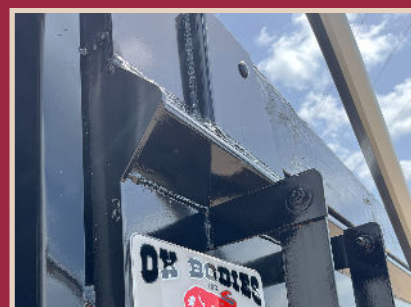

Tailgate spreader chains

	CHISHOLM

1 FORMED TAILGATE

Strong and reliable design constructed of formed high-tensile AR450 steel. Absence of welds reinforces strength and angled surfaces shed debris to help keep the tailgate clean.

2 DIAMOND TOP RAIL

Naturally dirt-shedding top rail for better self-cleaning. Option to add boards available.

3 HIGH-LIFT TAILGATE (OPTIONAL)

Offers additional clearance to easily empty bulky items without hang-up
